# Changing TIMES

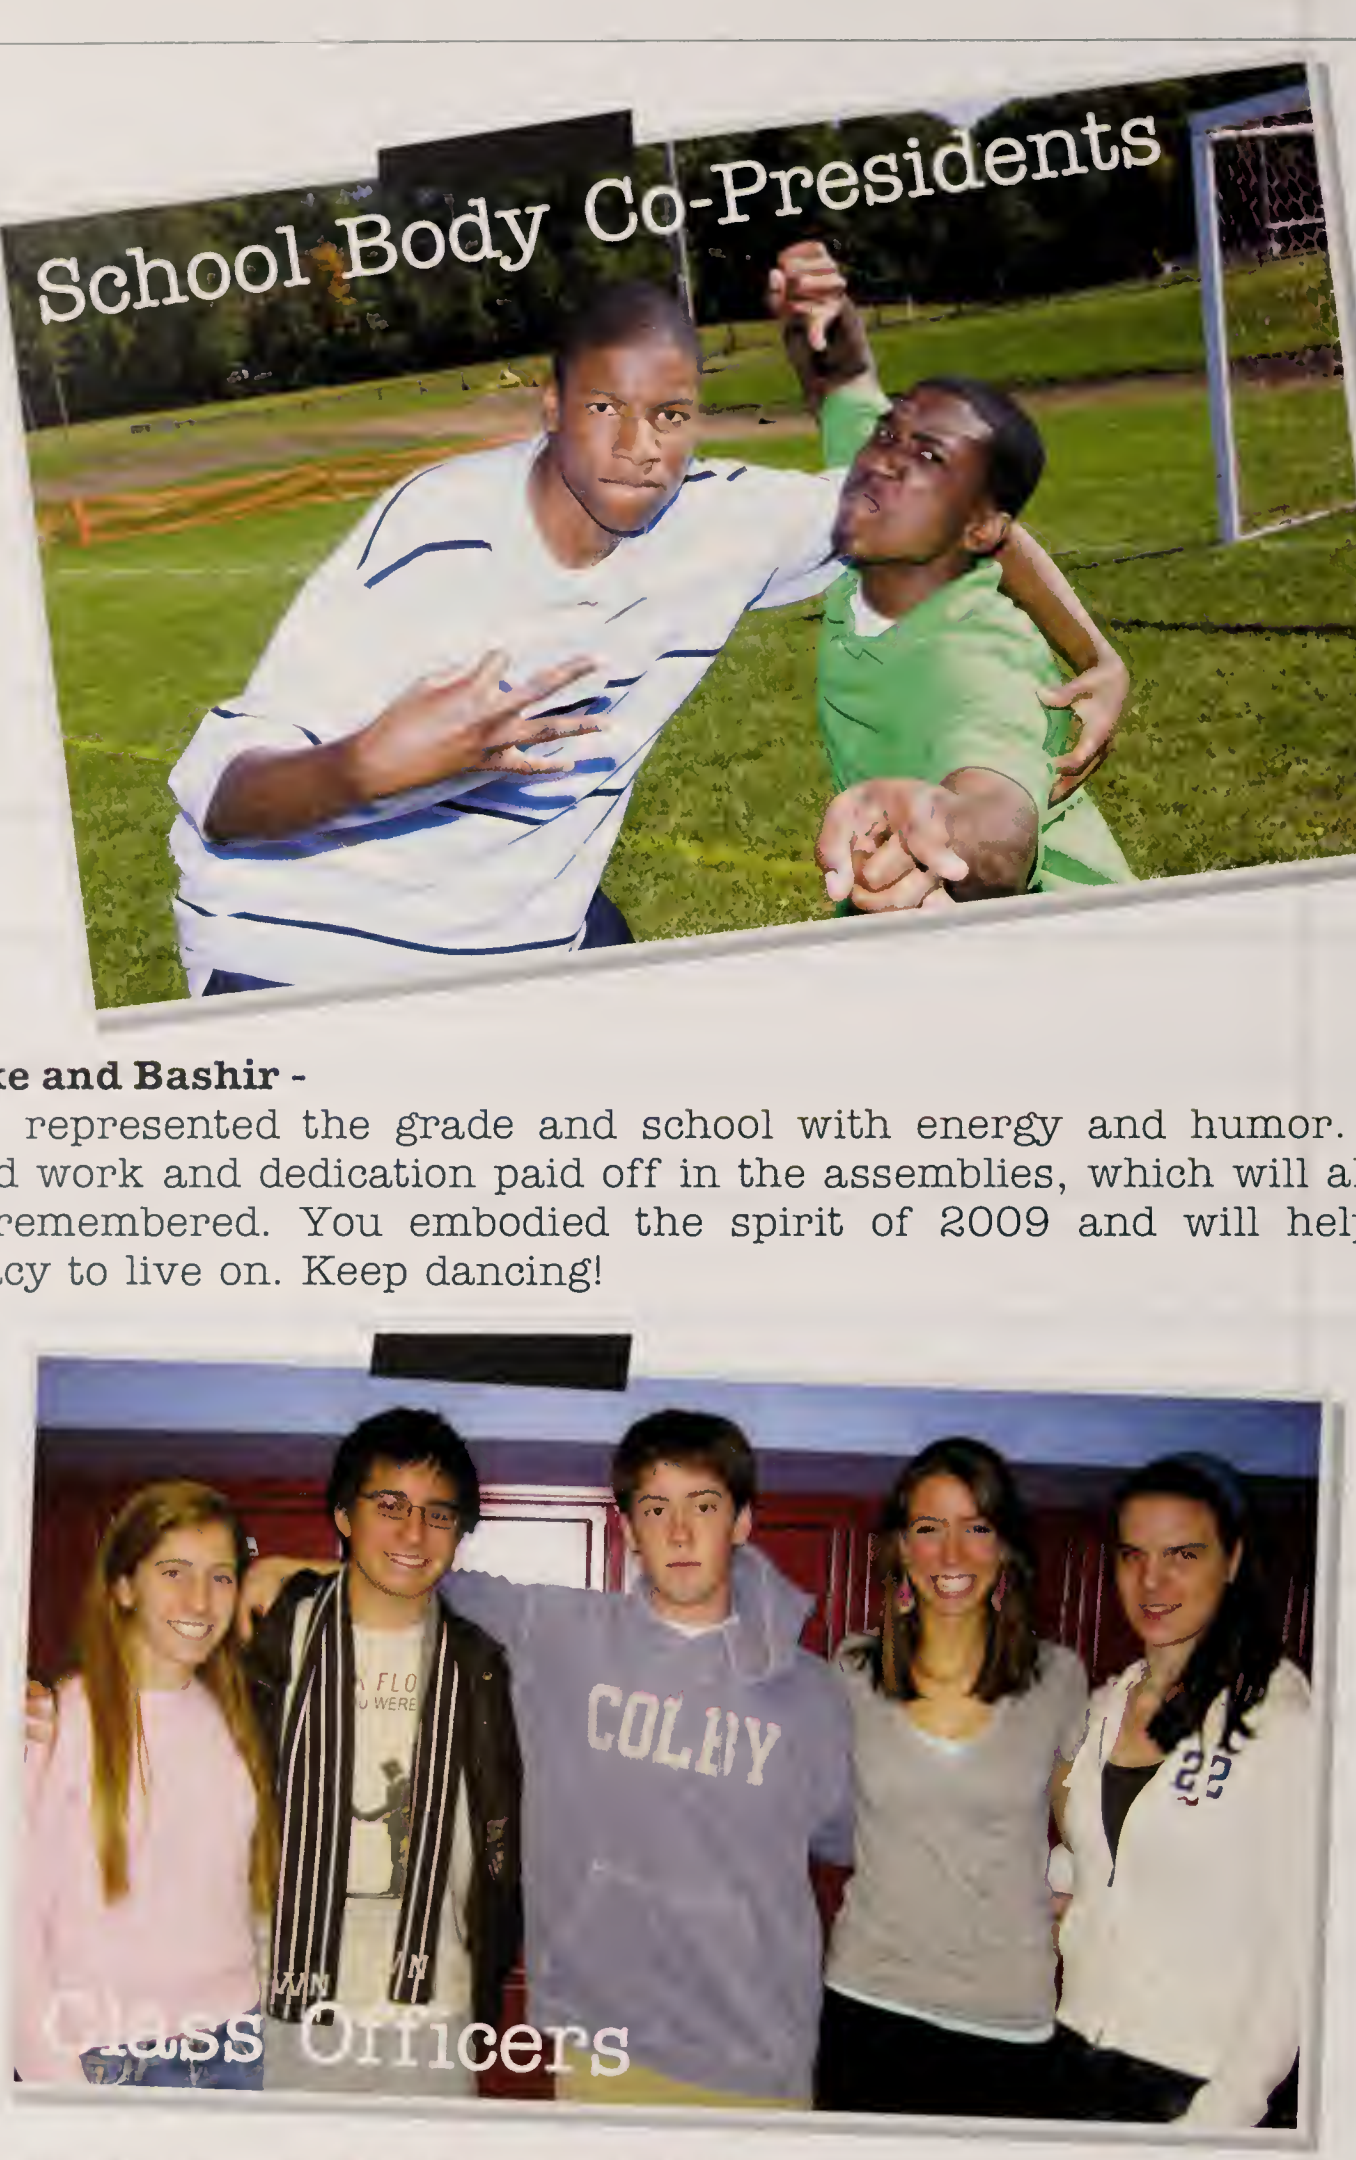
This past year has been a whirlwind of fun.
Yet looking at the years ahead, we see it's just begun.
From local to global we've seen lots of change,
Rebuilding the courtyard and a presidential exchange.
Between middle and high, one can see how we have grown,
Our broad range of talents has truly been shown.

As we prepare to go our separate ways,
We will never forget our fond high school days.
Whether dancing on cruises or supporting a team,
The spirit of '09 will forever gleam.

# Recognition

To Those Who Made Everything Possible...

**Mike and Bashir -**
You represented the grade and school with energy and humor. Your hard work and dedication paid off in the assemblies, which will always be remembered. You embodied the spirit of 2009 and will help our legacy to live on. Keep dancing!



**Cara, Bard, George, Whitney, and Kaila-**
Whether you had led us for one year or four, each of you have made a significant impact on our class's high school experience. From figuring out our class community service to planning Prom, you have made sure that every voice was heard. We loved your creativity, whether it was planning pancake eating contests or wearing togas to the assembly. You helped '09 live up to its potential!

**Mrs. Howe and Mrs. Rubin -**
Your guidance and support have remained consistent as we grew over the past four years. Your warm welcome to class meetings and events was amazing; you always made sure that the courtyard looked beautiful; the snack shack was always stocked. We appreciate everything you have done for the Class of 2009!

**Mr. Gabriner and Ms. Young -**
Your advice and deadlines have kept us in line. You understood the pressure of school and thoughtfully planned courtyard events around our hectic schedules. Thank you for always making sure that our forms got in and that events were well thought out. Your wisdom was much appreciated!

A senior quote represents a message that I want to say about my time here in Weston, about who I am and what I gained here. I could write a great poem or maybe a quote from someone famous but that is not who I am. Instead I will just say ... ahem ... write how I truly feel. The life I had before I came to Weston was lonely and worthless. Looking back I really don't understand how or why I stayed in my old school, but when I finally came to this school, I found a reason to come to school. I know that this may sound cliche, dramatic or maybe just dumb, but I don't care: My friends that I found here are my greatest treasures.

It is the time you have wasted for your rose that makes your rose so important.

People where you live, the little prince said, grow five thousand roses in one garden ... but they don't find what they're looking for. And yet what they're looking for could be found in a single rose, or a little water...

But eyes are blind, the little prince added. You have to look with the heart.

Walpole would come out hungry for a goal. With 18:45 left on the clock in the second half, the Porkers were able to capitalize on a clear by Weston goalkeeper Olivia Piccione and rebounded the ball for a goal.

Not willing to give up the lead, senior and center forward Alanna Capasso and midfielder Posa worked together for a lightning-quick attack on goal. Capasso's shot wove the ball through the Porker defense to regain Weston's one- goal lead, all in a mere 13 seconds.

# Field Hockey

Weston Field Hockey brought it all back this year winning not only a DCL title but capitalized as Division 1 State Champions. Senior Captains Kelsey Nickerson, Kristin Peters, and Junior Captain Maria Posa expressed the full team effort that went into making this season so successful. Varsity Coach Laura Galopim was named Coach of the Year by the Globe and was fully supported by her team. This team was able to put all the pieces of the puzzle together and take it all the way!

Players practice at Hillview Country Club for the North Sectional Tournament. Peter White, Will Caro and Jon Greb marvel at Brendan Meagher's tee shot on the sixth hole.

This season the team had high aspirations of repeating their success from 2007. Their claim to the DCL Small School Title came down to the final match of the season against Concord Carlisle. Weston had defeated CC on their home course earlier in the season and they were looking to return the favor. If CC would win this final match, they would share the DCL title with Weston. The players were determined not to let that happen. In a hard fought match, Weston prevailed and won with a score a total of 311, seven shots better than Coyle-Cassidy High School's score of 318. Weston had secured back-to-back Division II State Championships. Nicky's 77 placed him third in the individual state championship; Jeremy was tied for sixth, and Peter tied for ninth.

When post-season awards were given the team had four players named DCL All-Stars: Brendan Meagher, Jeremy Rubin, Peter White and Jon Greb and three players named All-Scholastics: Brendan Meagher, Nicky Buenaventura and Jon Greb.

The girls' soccer program this year grew immensely and came together to overcome many challenges. With a first-year coach and many new players, the season could have been rough. However, due to the hard work, perseverance, and genuine strong friendship of all the girls, the team began to win and competed with some of the best teams in the Dual County League. Fighting to a tie with Newton South and beating Waltham in a close game were some of the highlights this season. The seniors will be missed next year, but the program overall will continue to grow and improve greatly.

# Weston Wayland Crew

This fall, Wayland/Weston Boys Crew had a strong season despite the loss of numerous seniors from last year's team. A rocky start early in the season yielded several top five finishes in the small regattas early. As the fall progressed, however, boats began to solidify and gain speed. At the prestigious Head of the Charles, a first four (with Weston Seniors Alex Newell and Kevan Zadeh) came in 9th place out of 70 boats in the field. The second eight, (Junior Amy Hachigian and Seniors Dylan Gens and Stephen Freiberg) also did fairly well, taking 45th out of 66 boats (it should be noted that many of the boats they beat were first boats from other programs). At the Massachusetts Public School State Championships, the first boat took the State Championships, while the first Novice eight did likewise. Overall, enough boats did well enough to win the title of State Champions for the boys team, which they have won every season that they raced since the fall of 2005. Most of the Seniors are being recruited to colleges.

The Weston Red Tide went 12-2-1 in the 2008-2009 season. The team, with no returning swimmers who placed in the top 12 in the 2008 Sectional meet, went on to place 3rd at the Dual County League and Division-II State Championships, and 5th at the North Sectional Championships. Among other feats, senior captain Jake Lichter and freshman Taylor Clough were Sectional Champions individually, and Matt Sanda, Niko Svensson, CJ Valle, and Jake Lichter were State Champions in the 200 yard freestyle relay. Nick Burkus and Taylor Clough set new diving records, and Tyler Lewtan set a new freshman record in the butterfly.

Captains Cale Potter, Shelby Friel, and Turner Skenderian lead this years' GLOWS through an amazing season. The girls ended the season with a record of 13-1-0, 2nd place at the DCL meet, 3rd place at the Sectional meet, and 2nd place at the State meet. The team made waves by being the first to take Eliza Butts off the record board by breaking the Medley Relay pool record (Maddie Pierce, Cale Potter, Shelby Friel, and Turner Skenderian) and both the 200 yd and the 400 yd Freestyle Relay pool records (Maddie Pierce, Eve Jakubowski, Shelby Friel, and Turner Skenderian). # WRESTLING

TRADITION
The entire team gathers in a pre-meet circle, a tradition that has been part of Weston Wrestling for many seeasons.

The 2008-2009 Weston Wrestling team had a strong season despite being a young team, with the majority of wrestlers underclassman. It was Coach Peter Banker's first time as head coach. A team full of traditions, including the annual sleepover and Christmas Eve meet against Wayland, wrestling finished the season with a 1-8 record. Team members Max Huckstepp and Kyle Yang went to the individual state championships. The team had an enjoyable year and will miss the seniors next season.

# BOYS BASKETBALL

Varsity Basketball team had a very strong season, finishing with a 11-8 record and winning the DCL small school tournament. The team was led by new coach Paul Rouse, and senior captains Bashir Hudson, Scott Farner, and Chris Mayo-Smith. The team made significant gains with powerful wins over Lincoln-Sudbury, Wayland, and Concord-Carlisle. Hudson, Mayo-Smith and junior Alex Levine were named DCL all stars and Hudson was named the DCL player of the year.

### Let It Snow!

This year, the Mountain Sports Club was lucky to have *a lot* of snow! The club traveled to Waterville in New Hampshire five times. The group would leave early on Sunday mornings and return later that night. The club advisor was Mr. Ted Garland. Mrs. Marsh also helped chaperone many of the trips. Students had a great time skiing and snowboarding on the slopes and socializing in the lodge. Hopefully next winter will be as successful--and snowy!

Tools & Liabilities

To laugh often and much;
to win the respect of intelligent people
and the affection of children;
to earn the appreciation of honest critics
and endure the betrayal of false friends;
to appreciate beauty; to find the best in
others;
to leave the world a bit better,
whether by a healthy child,
a garden patch
or a redeemed social condition;
to know even one life has breathed easier
because you have lived.
This is to have succeeded.

# Colophon

The 2009 Weston High School yearbook, PANORAMA, Volume 25, was produced by a student staff.

PANORAMA was published by Jostens Publishing at Winston-Salem, North Carolina.

500 copies of the 256 page book were printed on #100 matte book paper using four-color process inks.

The Custom Lithographed cover was printed on 100# gloss book weight paper with lamination.

The endsheets were printed on 65# uncoated cover weight and printed with black ink.

The theme, *Changing Times*, was chosen by the editors because it is fitting for graduates and also our world.

The yearbook is a self-funded activity and receives no school funding. Funds are raised through ads and book sales.

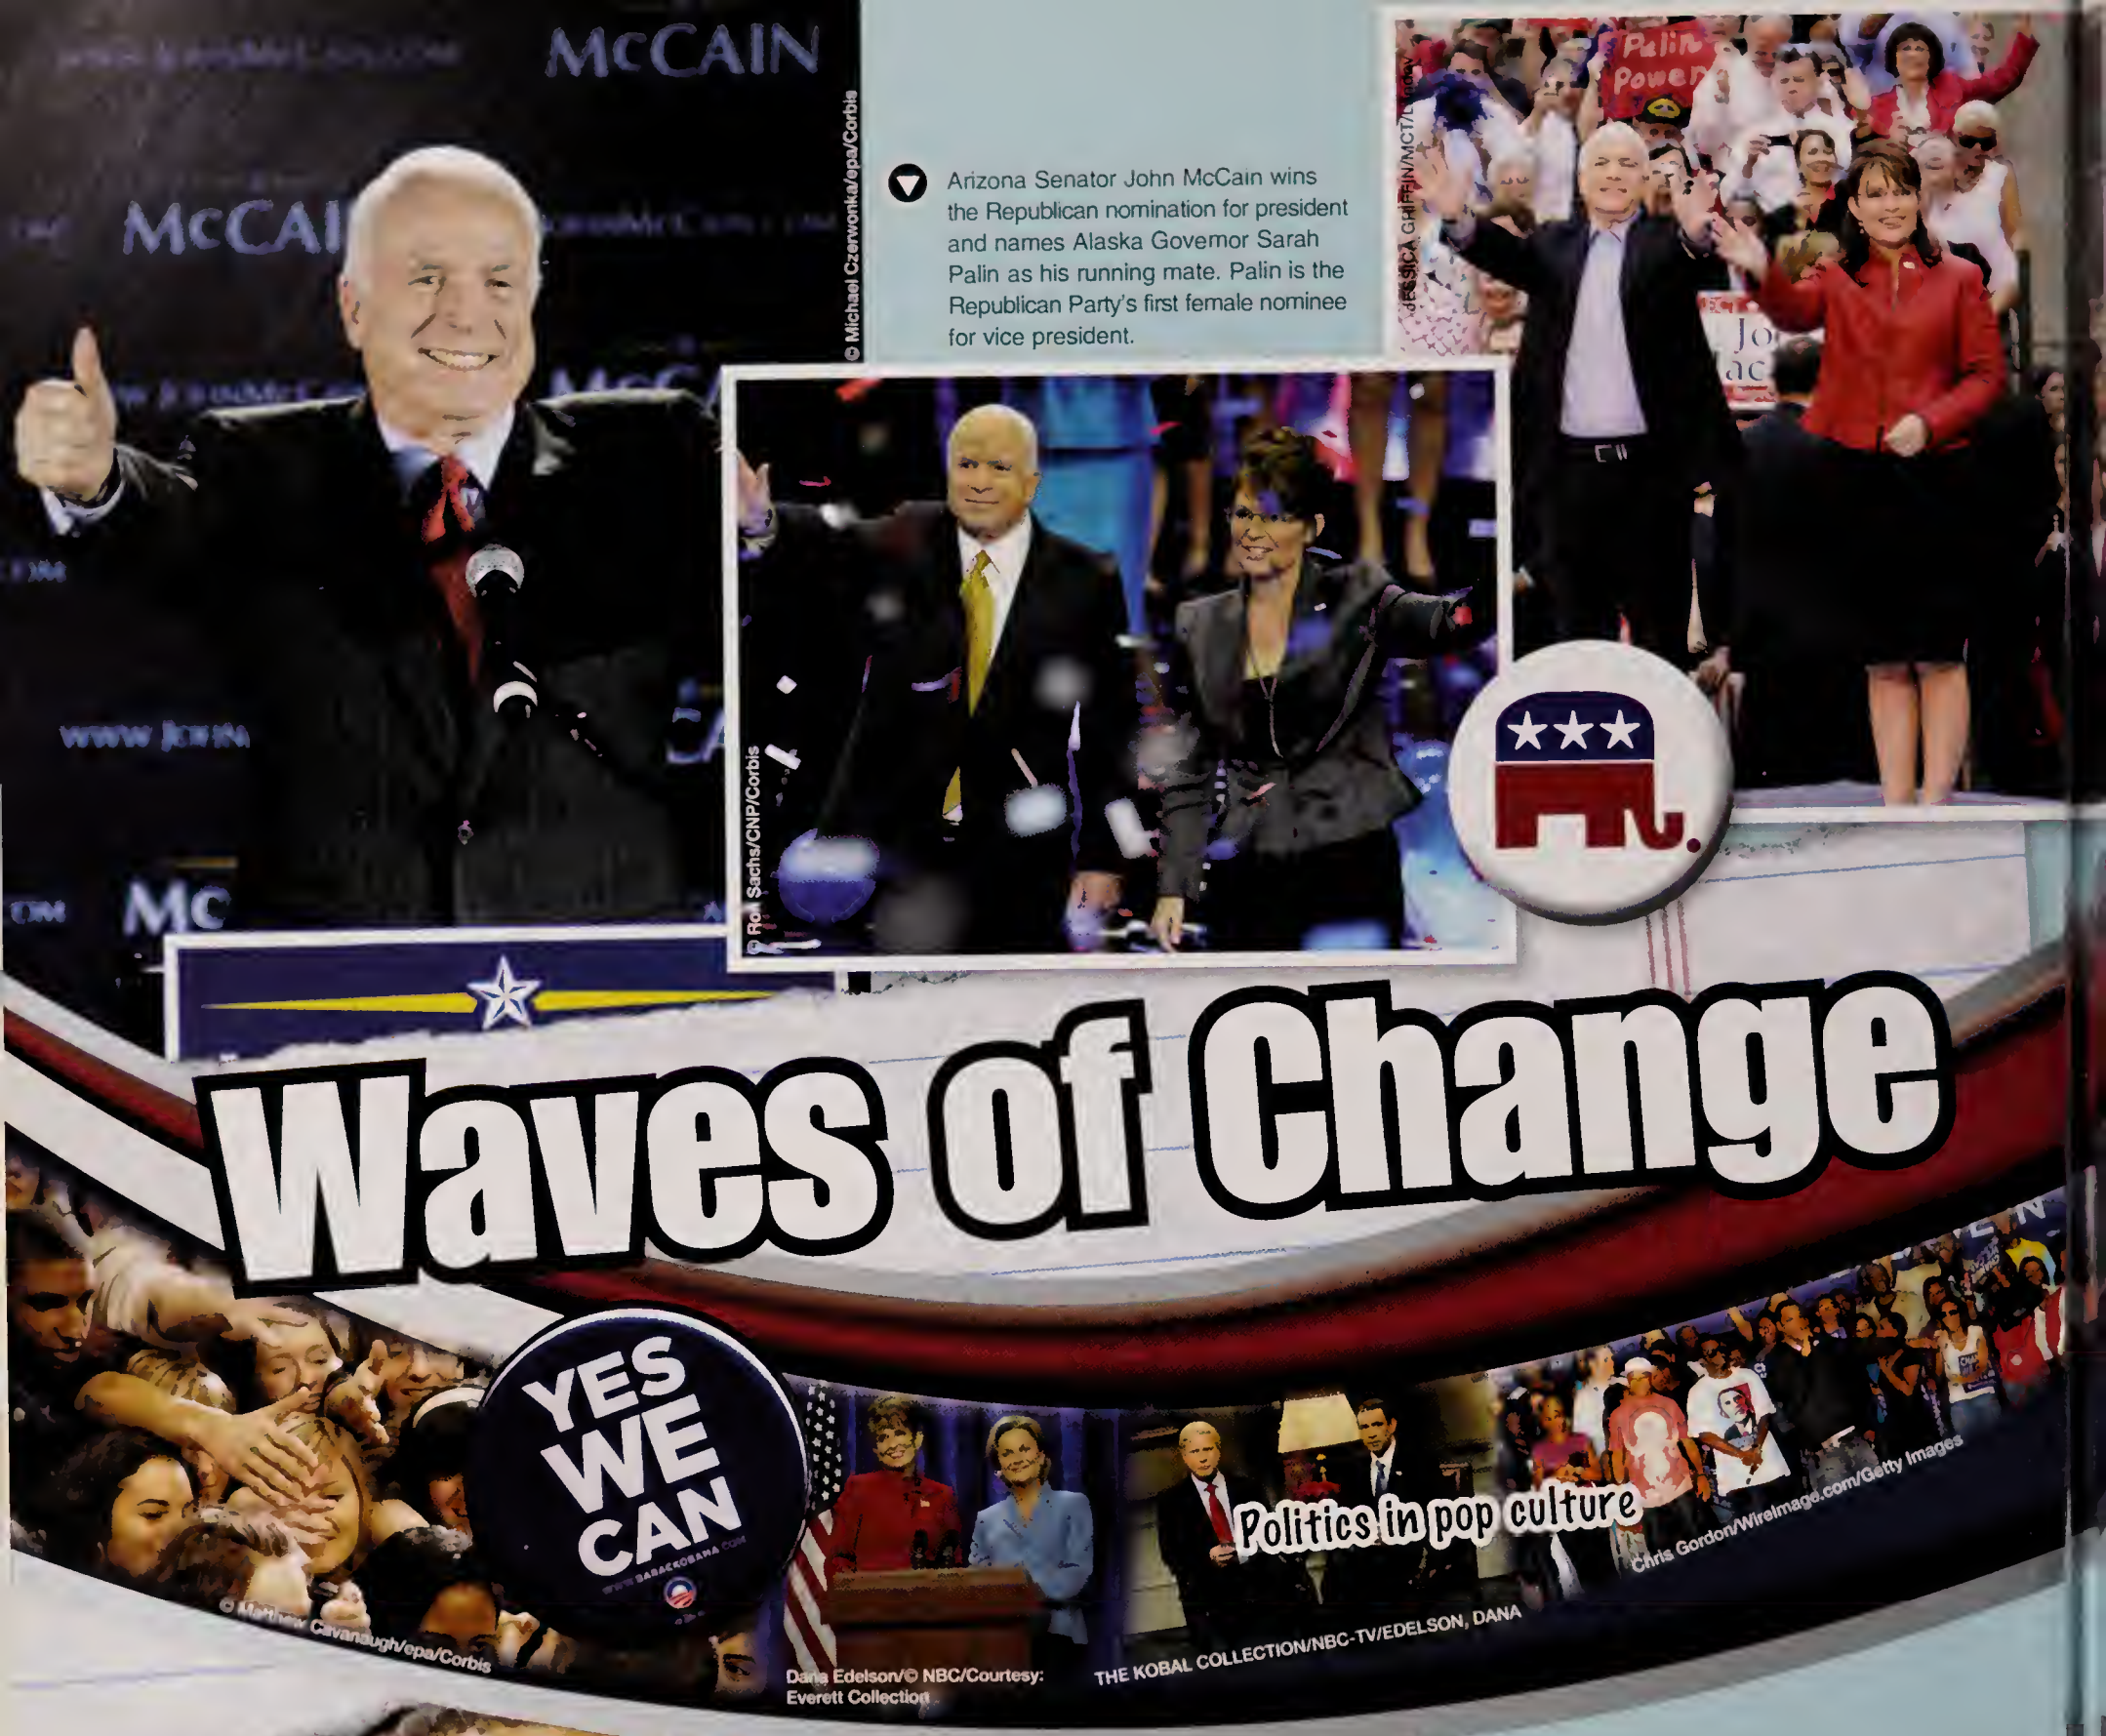
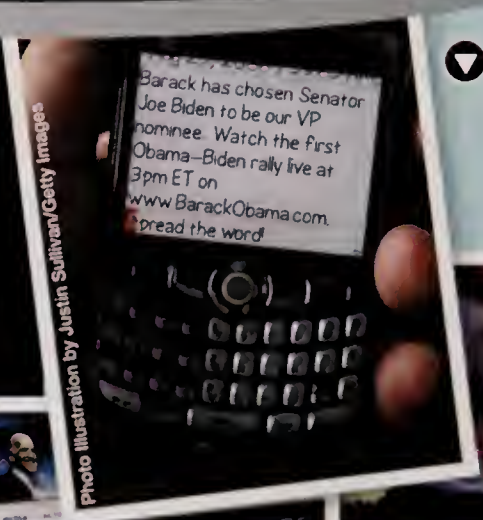
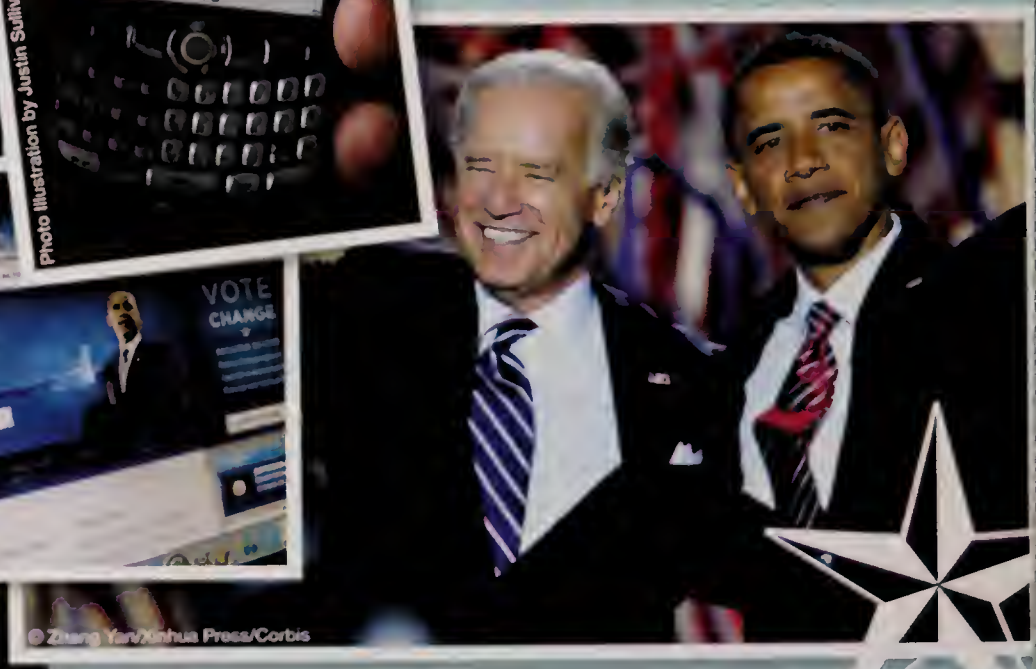
# Waves of Change

Arizona Senator John McCain wins the Republican nomination for president and names Alaska Governor Sarah Palin as his running mate. Palin is the Republican Party's first female nominee for vice president.





Democratic Senator Joe Biden of Delaware becomes the 47th vice president of the United States. A member of the Senate since 1973, Biden brings long-time Washington experience to the Obama administration.



Obama's grassroots organization and innovative Web campaign is credited with inspiring young and first-time voters to participate heavily in the election.

The values, fashion and personal vitality of the Obama family resonate with Americans. Public interest in the first family rivals that of the interest in the Kennedy family in the 1960s.
